

## CCA Selected for the Continued Management of Two Contracts From the State of Texas

August 23, 2011 4:16 PM ET

NASHVILLE, TN, Aug 23, 2011 (MARKETWIRE via COMTEX) --

CCA (Corrections Corporation of America) (NYSE: CXW), the nation's largest partnership corrections provider to government agencies, announced today that pursuant to a competitive re-bid it has received contracts for the continued management of CCA's Mineral Wells Pre Parole Transfer Facility and CCA's Bridgeport Pre-Parole Transfer Facility from the Texas Department of Criminal Justice (TDCJ). Under the new contracts CCA will manage up to 2,100 male inmates at the Mineral Wells facility and up to 200 female inmates at the Bridgeport facility.

The contracts, which commence on September 1, 2011, have a two-year base term and contain two (2) two-year renewal options, or up to six years if all renewal options are executed. All other terms of the contracts remain essentially the same as the current contract. CCA has managed populations for the TDCJ at both facilities since 1995.

Damon Hininger, president and CEO, stated, "We are pleased to continue our relationship with the Texas Department of Criminal Justice, a long-standing and valued partner. We believe our value proposition and track record of outstanding quality correctional services have contributed to our continued partnership with the TDCJ."

### About CCA

CCA is the nation's largest owner and operator of partnership correction and detention facilities and one of the largest prison operators in the United States, behind only the federal government and three states. We currently operate 66 facilities, including 45 company-owned facilities, with a total design capacity of approximately 90,000 beds in 20 states and the District of Columbia. We specialize in owning, operating and managing prisons and other correctional facilities and providing inmate residential and prisoner transportation services for governmental agencies. In addition to providing the fundamental residential services relating to inmates, our facilities offer a variety of rehabilitation and educational programs, including basic education, religious services, life skills and employment training and substance abuse treatment. These services are intended to reduce recidivism and to prepare inmates for their successful re-entry into society upon their release. We also provide health care (including medical, dental and psychiatric services), food services and work and recreational programs.

### Forward-Looking Statements

This press release contains statements as to our beliefs and expectations of the outcome of future events that are forward-looking statements as defined within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the statements made. These include, but are not limited to, the risks and uncertainties associated with: (i) general economic and market conditions, including the impact governmental budgets can have on our per diem rates, occupancy, and overall utilization; (ii) fluctuations in our operating results because of, among other things, changes in occupancy levels, competition, increases in cost of operations, fluctuations in interest rates and risks of operations; (iii) our ability to obtain and maintain correctional facility management contracts, including as a result of sufficient governmental appropriations and as a result of inmate disturbances; (iv) changes in the privatization of the corrections and detention industry, the public acceptance of our services, the timing of the opening of and demand for new prison facilities and the commencement of new management contracts; (v) the outcome of California's realignment program and its utilization of out of state private correctional capacity; and (vi) increases in costs to construct or expand correctional facilities that exceed original estimates, or the inability to complete such projects on schedule as a result of various factors, many of which are beyond our control, such as weather, labor conditions and material shortages, resulting in increased construction costs. Other factors that could cause operating and financial results to differ are described in the filings made from time to time by us with the Securities and Exchange Commission.

CCA takes no responsibility for updating the information contained in this press release following the date hereof to reflect events or circumstances occurring after the date hereof or the occurrence of unanticipated events or for any changes or modifications made to this press release.
