About the Company

CCA is America's leader in partnership corrections and is the nation's largest owner and operator of partnership correction and detention facilities and one of the largest prison operators in the United States, behind only the federal government and three states. We currently operate 65 facilities, including 44 company-owned facilities, with a total design capacity of approximately 87,000 beds in 19 states and the District of Columbia. We specialize in owning, operating and managing prisons and other correctional facilities and providing inmate residential and prisoner transportation services for governmental agencies. In addition to providing the fundamental residential services relating to inmates, our facilities offer a variety of rehabilitation and educational programs, including basic education, religious services, life skills and employment training and substance abuse treatment. These services are intended to reduce recidivism and to prepare inmates for their successful re-entry into society upon their release. We also provide health care (including medical, dental and psychiatric services), food services and work and recreational programs.
