

CCA Announces \$100 Million Increase in Share Repurchase Program

May 16, 2011

NASHVILLE, TN, May 16, 2011 (MARKETWIRE via COMTEX) -- CCA (NYSE: CXW) (the "Company" or "Corrections Corporation of America"), America's leader in partnership corrections and the nation's largest provider of corrections management services to government agencies, announced today its Board of Directors has authorized an increase in the aggregate amount the Company may repurchase under its previously announced share repurchase program from \$250.0 million to \$350.0 million. The Company's Board also authorized the extension of the share repurchase program through December 31, 2012. Since announcing the share repurchase program on February 9, 2010, as of May 13, 2011, the Company has repurchased a total of approximately 9.9 million of its common shares at an aggregate cost of approximately \$212.3 million. Therefore, an aggregate of \$137.7 million will be available under the repurchase program.

"This increase and extension of our share repurchase program demonstrates our commitment to delivering shareholder value and our belief in the long-term prospects of CCA," said Damon Hinger, CCA's President and Chief Executive Officer. "Our solid financial results and strong balance sheet enable us to fund the increased share repurchase program as well as our capital expenditure requirements while maintaining the flexibility to continue to execute our long-term business strategy."

The Company's Board determined to limit at this time the increase in the amount authorized after considering the limitations on restricted payments, such as share repurchases, under the Company's revolving credit facility and outstanding indentures. Currently, the aggregate permitted amount of restricted payments is approximately \$154 million, which increases quarterly based on 50% of the Company's net income.
