**Explanation of Responses:**

1. Amendment filed to correct columns 6 and 9 of table II in Form 4 filed on March 13, 2006 with respect to option exercise by the reporting person. The original filing aggregated the options exercised with options of a different class for purposes of reporting the information required in these columns. As a result, the date exercisable and number of derivative securities outstanding following the transaction were reported incorrectly. The company effected a 3-for-2 stock split in September of 2006. Since the original transaction occurred prior to the stock split, the information in this Form 4/A is provided on a pre-split basis
