(A) The year constructed represents the initial completion of the facility's construction, as well as significant additions to the facility that occurred at a later date.

(B) Design capacity measures the number of beds, and accordingly, the number of inmates each facility is designed to accommodate. Facilities housing detainees on a short term basis may exceed the original intended design capacity for sentenced inmates due to the lower level of services required by detainees in custody for a brief period. From time to time, we may evaluate the design capacity of our facilities based on the customers using the facilities, and the ability to reconfigure space with minimal capital outlays. We believe design capacity is an appropriate measure for evaluating prison operations, because the revenue generated by each facility is based on a per diem or monthly rate per inmate housed at the facility paid by the corresponding contracting governmental entity.

(C) We manage numerous facilities that have more than a single function (i.e., housing both long-term sentenced adult prisoners and pre-trial detainees). The primary functional categories into which facility types are identified was determined by the relative size of prisoner populations in a particular facility on March 31, 2010. If, for example, a 1,000-bed facility housed 900 adult prisoners with sentences in excess of one year and 100 pre-trial detainees, the primary functional category to which it would be assigned would be that of correction facilities and not detention facilities. It should be understood that the primary functional category to which multi-user facilities are assigned may change from time to time.

(D) Remaining renewal options represents the number of renewal options, if applicable, and the remaining term of each option renewal.

(E) During January 2010, we were notified by the BOP of their decision not to renew the management contract at the California City Correctional Center upon its expiration on September 30, 2010.

<p>(F) The facility is subject to a ground lease with the County of San Diego whereby the initial lease term is 18 years from the commencement of the contract, as defined. Upon expiration of the lease in December 2015, ownership of the facility automatically reverts to the County of San Diego.</p> <p>(G) During the first quarter of 2010, we were notified by the state of Arizona of their decision not to renew the management contracts at the Huerfano County Correctional Center upon its expiration on March 8, 2010 and the Diamondback Correctional Facility upon its expiration on May 1, 2010.</p> <p>(H) The facility is subject to a purchase option held by the Georgia Department of Corrections, or GDOC, which grants the GDOC the right to purchase the facility for the lesser of the facility's depreciated book value or fair market value at any time during the term of the contract between us and the GDOC.</p> <p>(I) The facility is subject to a deed of conveyance with the city of Wheelwright, KY which includes provisions that would allow assumption of ownership by the city of Wheelwright under the following occurrences: (1) we cease to operate the facility for more than two years, (2) our failure to maintain at least one employee for a period of sixty consecutive days, or (3) a conversion to a maximum security facility based upon classification by the Kentucky Corrections Cabinet.</p> <p>(J) During December 2009, we announced our decision to cease operations at our Prairie Correctional Facility on or about February 1, 2010 due to low inmate populations at the facility. During 2009, the Prairie facility housed offenders from the states of Minnesota and Washington. However, due to excess capacity in the states' systems, both states removed the populations held at Prairie.</p> <p>(K) The facility is subject to a purchase option held by the Tallahatchie County Correctional Authority which grants Tallahatchie County Correctional Authority the right to purchase the facility at any time during the contract at a price generally equal to the cost of the premises less an allowance for amortization originally over a 20 year period. The amortization period was extended through 2050 in connection with an expansion completed during the fourth quarter of 2007.</p> <p>(L) The State of Montana has an option to purchase the facility generally at any time during the term of the contract with us at fair market value less the sum of a pre-determined portion of per-diem payments made to us by the state of Montana.</p> <p>(M) During December 2008, we were notified by Hamilton County, Ohio of its intent to terminate the lease for the 850-bed Queensgate Correctional Facility. We believe the County elected to terminate the lease effective January 1, 2009, due to funding issues experienced by the County.</p> <p>(N) The facility is subject to a purchase option held by the Oklahoma Department of Corrections, or ODC, which grants the ODC the right to purchase the facility at its fair market value at any time.</p> <p>(O) The state of Tennessee has the option to purchase the facility in the event of our bankruptcy, or upon an operational breach, as defined, at a price equal to the book value, as defined.</p> <p>(P) The District of Columbia has the right to purchase the facility at any time during the term of the contract at a price generally equal to the present value of the remaining lease payments for the premises. Upon expiration of the lease in 2017, ownership of the facility automatically reverts to the District of Columbia.</p> <p>(Q) In April 2010, Florida Department of Management Services ("Florida DMS") indicated its intent to award us the continued management of the 985-bed Bay Correctional Facility, in Panama City, Florida. Additionally, the Florida DMS indicated its intent to award us management of the 985-bed Moore Haven Correctional Facility in Moore Haven, Florida and the 1,884-bed Graceville Correctional Facility in Graceville, Florida. However, we were not selected for the continued management of the 1,520-bed Gadsden Correctional Facility in Quincy, Florida. We expect to commence operations of the Moore Haven and Graceville facilities and will also cease operations of the Gadsden facility during the third quarter of 2010.</p> <p>(R) During April 2010, we provided notice of our intent to terminate the management contract for the 876-bed Hernando County Jail. As required under the agreement, we provided Hernando County a 120-day notice of termination and expect to turn over operations of the facility to the new operator on or about August 26, 2010.</p> <p>(S) The alternative educational facility is currently configured to accommodate 900 at-risk juveniles and may be expanded to accommodate a total of 1,400 at-risk juveniles.</p>
