Explanation of Responses:

Remarks:

Amendment filed to correct number reported in Column 9 of Table II, which incorrectly stated 45000 in the original report. Previous reports (on May 15, June 15, July 16 and September 20, 2007) involving exercises by the reporting person of the options granted to the reporting person on February 16, 2005 likewise underreported the number of securities owned following the reported transactions. The error was due to a failure to include unvested options from the February 2005 grant in the number remaining following the exercises.
